

ST COLUMBA'S BUILDING NEWS

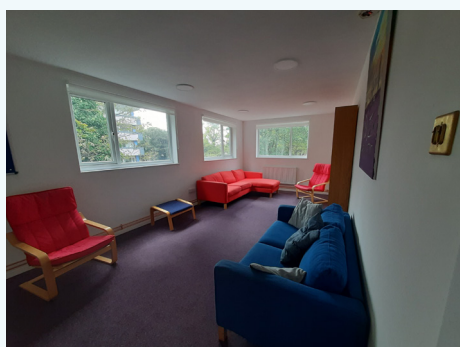

October 2023

Lots of changes this month, including the church office moving to its permanent home - yay!

Below are a few before, during and after photos which include the latest developments:

Lounge

Office

Toilets

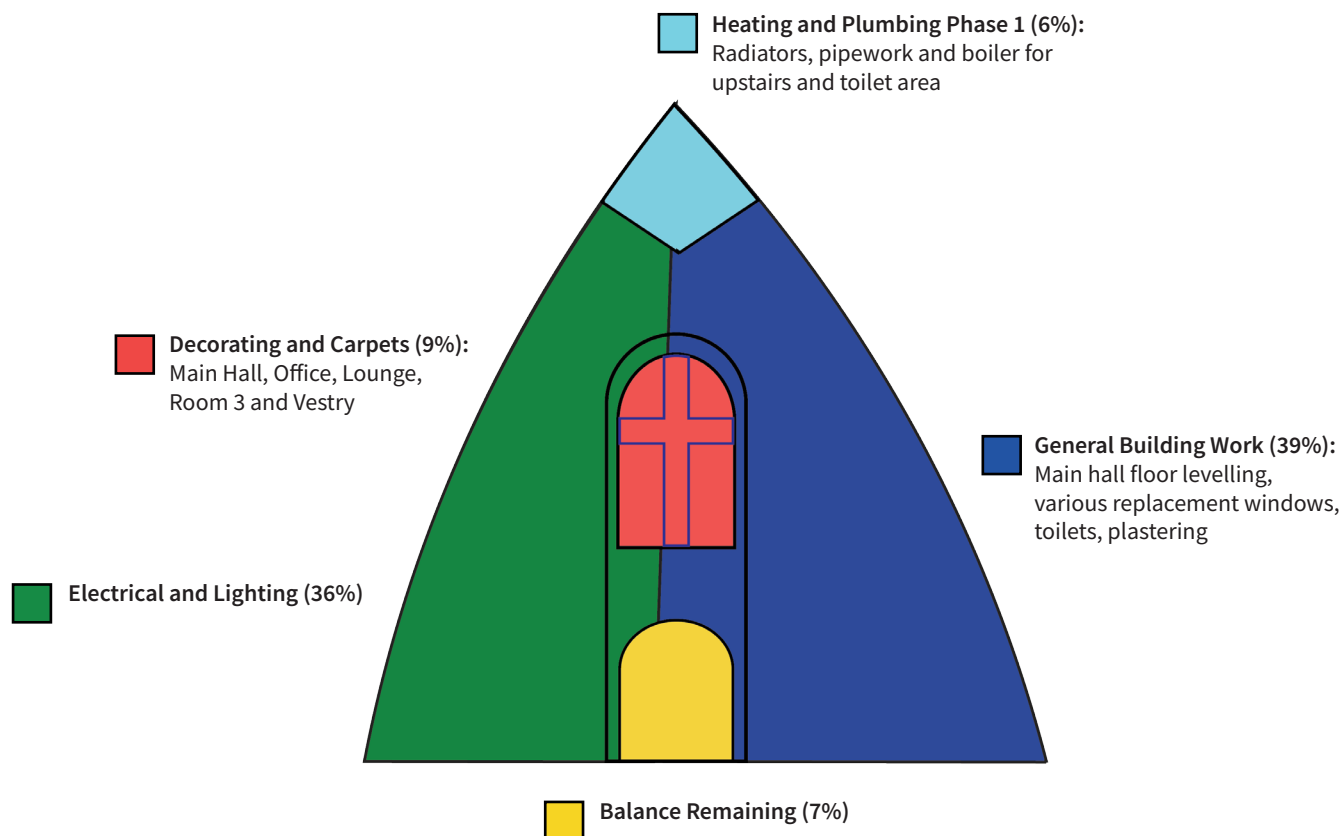

We're going to be working on making the Lounge and Office more homely in the next few weeks, as well as continuing to work on completing the fixtures, fittings and decoration in the toilet area. It's been really interesting looking back at our photo archive of the past 11 months in the process of putting this edition together and seeing just how far we've come!

Building Offering

Our next Building Offering for the continued renovation and refurbishment of St Columba's is on Sunday 12th November.

Our last Building Offering was early December 2022 and raised approximately £150,000 (including a small grant).

Here's a brief infographic summary of how that money has been spent in the past 11 months:

What's Next?

Other work that we still need to do includes:

- 🔧 Phase 2 Heating (Main Hall),
- 🔧 Phase 3 Heating (Hall 2 and Kitchen),
- 🔧 Kitchen,
- 🔧 Redecorate Hall 2 and corridors,
- 🔧 Replacement of some external doors,
- 🔧 Insulation of Hall 2 and upstairs,
- 🔧 Repair external guttering,
- 🔧 New flat roofs,
- 🔧 Replacement of some windows at the rear.

Our communications plan is to publish updates on a monthly basis via Jubilee News. The next edition will be during the last week of November. If you would like to be more involved in any aspect of our refurbishment of St Columba's, please get in touch with Faith Miller in the church office on office@jubileechurchcoventry.org.
